## Dependent Age Coverage

The “dependent age” law in Illinois, as well as federal laws, allow you to keep your children/dependents on your health insurance policy into young adulthood.

### The laws apply to:

- Non-military dependents until they reach 26 years of age (regardless of child’s residency, employment, student, marital or financial status or, in some cases, other available coverage)
- Returning military dependents until they reach 30 years of age (military dependents age 26 to 30 must be unmarried, Illinois residents discharged other than dishonorably)

You can enroll your child at your next renewal date/open enrollment period. For questions about eligibility, check with your benefits manager, or call the customer service number on the back of your ID card.
