Subject: About next year's health plan options

Dear Group Administrator,

On your policy renewal date, which is on or after Jan. 1, 2016, one or more of the health plans you now have with us will be discontinued.

We'll provide your group with a renewal packet which includes information about other health coverage options. The renewal packet will be sent prior to your renewal date and will include a plan that's similar to your current plan. You can choose this plan or any other available plans that meet your company's health insurance needs.

Your next steps:

- View your other health coverage options in the renewal packet that will be sent in advance of your renewal date
- Choose the coverage option that's best for your company
- Contact your broker directly if you have any questions

Our next step:

- Send a similar notice to your employees

Our goal is to serve your health insurance needs through all of life's changes.

Sincerely,

Blue Cross and Blue Shield of Illinois
